Welcome to Alsager

Sixth Form College

Andrew Rayner, Director of Alsager
Sixth Form College

Why Alsager Sixth Form College

Choosing where and what to study after Year 11 may be one of the biggest decisions you will have had to make so far in your life. So why should you choose Alsager Sixth Form?

As well as offering high quality teaching and personalised support and guidance, we place a high priority on the personal development of our young people so that they learn how to work and live together and how to enjoy healthy, active lives. This development of the whole person is evident throughout sixth form life, through a wide range of extra-curricular activities, a very comprehensive enrichment programme and an excellent system of pastoral care and support.

The proof of our success is evident not only from our excellent examination results but also from the fact that year on year, our students leave the Sixth Form fully equipped for the challenges and demands of life beyond Alsager.

Every year we also welcome a number of students who join us at 16 from other schools. They choose us because they are looking for a close knit community with a robust support network. The friendly welcoming atmosphere around the sixth form means that these students soon settle in and feel part of the community.

We look forward to welcoming both current Alsager students and new students into Year 12 next September and to working with you to help you achieve your goals.

Andrea O'Neill
Headteacher

Richard Middlebrook
Chief Executive Officer
The Cornovii Trust

Welcome to The Cornovii Trust The Cornovii Trust

I am extremely proud to be Chief Executive Officer of The Cornovii Trust, our multi academy trust of local schools. 'Cornovii' is the ancient name given to the people of Cheshire, Shropshire and Staffordshire. That is the area our schools serve, we are a local trust providing real support, opportunities, experience and leadership for the communities and young people in these three counties. All our schools follow our model for success, high aspirations for all, high standards for all and continuous improvement for all.

Alsager Sixth Form College is the perfect example of this, it really is a beacon of excellence in every way when it comes to post 16 provision. I am so proud of the fact that A6 is a comprehensive 6th Form which is for everyone, regardless of their outcomes at the end of year 11.

Our Sixth Form College offers...

- High quality learning and teaching and a strong track record of academic success.
- Superb facilities including a dedicated state of the art Sixth Form study centre and 6th form café.
- Personalised student support and guidance to help every student achieve their very best.
- A wide range of courses including A-level, BTECs, and a Traineeship pathway.
- A superb range of subjects are offered ranging from Fine Art to Politics. A full list of the courses is available on the website.
- A comprehensive enrichment and extension programme to prepare students for life beyond the Sixth Form.
- The opportunity for all learners to take part in work experience, community volunteering and charity work during their time in the Sixth Form.
- Student Leadership Team roles.

Monitoring and assessment of progress

During the course of each academic year there are 3 assessment points when students' progress is assessed against their target grades. If students are not on target they are provided with extra support, advice and guidance by means of a thorough coaching, mentoring and support programme delivered by form tutors and subject specific support and coaching via their subject teachers.

"Learners benefit from a comprehensive programme of careers education information, advice and guidance which enables them to progress to higher education, training or full time employment after leaving the sixth form" (Ofsted 2016)

Pathways and experiences to suit all individual needs and aspirations.

What our students say

- ◆ 'I attended another school and joined Alsager Sixth Form at the beginning of Year 12, which was quite daunting for me. I needn't have worried, as the pastoral team were really helpful and approachable, making me feel welcomed from the start.'
- ◆ 'The transition from High School to a further education setting can be overwhelming, but at Alsager Sixth Form I found that the support and encouragement from the sixth form team have made this transition more gradual and the experience really enjoyable.'
- ◆ 'I have really enjoyed my first year here at Alsager Sixth Form, I feel safe, included and part of a close knit team, together with other students. Everyone treats each other with kindness and respect. I can't wait to start Year 13 as a member of the Student Leadership Team.'
- ◆ 'Alsager Sixth Form has provided me with a variety of different opportunities from Oxbridge Summer Schools to Shadowing Schemes. Without the support of staff here, I would not have achieved my offer from Oxford University to study Medicine.'

Beyond the classroom

Beyond the classroom students are encouraged to undertake additional responsibilities as part of the Head Student and Sixth Form Ambassador Team. They are actively involved in our Maximising Achievement Team, supporting students in the lower school through peer mentoring, running workshops to help with target setting. Students work with Main School students to share tips on how to perform well in exams, as well as running revision skills sessions for parents.

The Sport and Societies programme allows for students to participate or even lead an extra-curricular activity area, with thriving societies including debate, future medics, baking, journalism and a multitude of sports. When entering into Year 12 students have the opportunity to complete the Extended Project Qualification (EPQ), developing the skills required for higher education whilst completing research with a focus of their choosing.

Transport to Alsager 6th Form College

There are multiple transport options for students attending the Alsager Sixth Form.

Bus routes operated by the local authority are available to view in the transport letter on our website.

There are direct buses from Crewe, Newcastle-under-Lyme and Hanley bus stations.

You can also travel to Alsager Sixth Form via rail, as we are a 15 minute walk from Alsager Railway station, with direct trains running from Stoke and Crewe.

Dependent on where you live you may be entitled to a free bus pass.
