Engineering Design	Year 11	Thursday	Specific topics	Revision of specific topics for the R038 Exam.	7 th May
French	Year 11	Wednesday	Drop-in revision	A different focus each week, linking mainly to the speaking and writing exams. Two sessions will run in some weeks where appropriate (F and H)	The first exam
ICT	Year 11	Tuesday Wednesday Thursday	Coursework support	Improve coursework that they have completed in the lesson or catch up on missing sections	End of April
Art	Year 11	Tuesday Wednesday Thursday	Coursework support	A weekly drop-in session to provide a supportive and flexible space for students to develop their coursework and creative practice. Sessions are open to anyone who would like guidance, feedback, or simply a calm place to work. Staff are available throughout the sessions to support students with developing ideas, reviewing work in progress, offering constructive guidance, and assisting with practical needs such as printing and accessing materials and resources. Students are also welcome to use the space independently, whether to refine coursework, experiment with techniques, or strengthen their portfolios using the available resources in a relaxed and focused environment. These sessions are designed to encourage progress, experimentation, and confidence in a supportive studio setting	19 th April
Computer Science	Year 11	Tuesday	Exam skills	Exam Techniques with focus on paper 1 topics and past paper programming questions	The exam
Science	Year 11	Tuesday	Invitation only	Specific exam skills covered for students invited to attend	The first exam
