An Achieving School - A Caring Community

May 2020

Dear Colleague,

MATHEMATICS TEACHER

Thank you for showing an interest in the above vacancy.

Alsager School is a fantastic place to work with motivated and well behaved students, a committed and experienced governing body, dedicated staff and supportive parents. Children of all abilities make impressive progress throughout the key stages. We are one of the highest performing schools in Cheshire East, our progress data puts us in the top 25% of schools nationally and in February 2016 Ofsted graded the school as Outstanding.

I hope that the attached details will help to introduce you to our Mathematics Department. In 2019, 83% of pupils achieved 9 - 4, 59% 9 - 5 and 27% 9 - 7 in GCSE Maths. The Maths results for the last four years have been very impressive indeed. However, I would strongly urge you to get more of a 'feel' for the life of Alsager School by visiting our website www.alsagerschool.org We hope this information will encourage you to apply.

In order to ensure the future successful development of our school, we are keen to appoint only staff of the highest ability or with the greatest promise. Working at Alsager School is demanding but the rewards are commensurate in a school with strong leadership, dedicated staff, supportive parents and pleasant, friendly and highly motivated pupils. The School is proud of its supportive ethos and the person appointed can expect much help, guidance and support from colleagues.
