Career options	
<p>"Le monde est à toi!". Employers are becoming increasingly aware of the benefits of employing staff with language skills. Potential employers will often want you to combine your language skills with another subject area. The choice of University courses offering such opportunities is incredible: you can combine language study with a vast range of other subject areas including science, maths, business and the Arts. Your language skills can help to give you an advantage in a competitive job market and give you access to a higher salary. French sits in 3rd position amongst the top 9 languages for the highest paid jobs in Britain. *</p> <p>Students interested in Primary Education will also reap the benefits of studying a foreign language as the demand for teachers of MFL is constantly increasing.</p> <p>*As reported in The Independent in September 2016.</p>
