Career options	
<p>Germany is one of Britain's biggest trade partners and has strong financial services and business ties with the UK. Speaking German will not only get you, in general, the highest-paid job, it is also the language that is in highest demand across job postings. *</p> <p>Employers are becoming increasingly aware of the benefits of employing staff with language skills. Potential employers will often want you to combine your language skills with another subject area. The choice of University courses offering such opportunities is incredible: you can combine language study with a vast range of other subject areas including science, maths, business and the Arts.</p> <p>Students interested in Primary Education will also reap the benefits of studying a foreign language as the demand for teachers of MFL is constantly increasing.</p> <p>*As reported in The Independent in September 2016.</p>
