

<b>Health and Social Care</b>	
<b>Teacher in charge of subject</b>	Mrs Howard
<b>Type of qualification</b>	Cambridge Technical Level 3
<b>Exam board and subject code</b>	OCR 05831
<b>Entry requirements</b>	
<b>Specific subject requirement</b>	Grade 4 in GCSE English Language or English Literature
<b>Course details</b>	
<p>This qualification is for learners who want to study health science, social care or childcare. It isn't just about caring for babies or the elderly and the ill; it will provide learners with the skills, knowledge and understanding to progress into Higher Education on a health and social care related programme.</p> <p>You will focus on: building positive relationships in health and social care, equality, diversity and rights in health and social care as well as health, security and safety. Another mandatory unit focuses on anatomy and physiology for health and social care.</p> <p>This content will give you an understanding of health and social care in the wider contexts of different environments and settings where care takes place, the importance of communication as well as the importance of legislation. Students will also develop transferrable skills such as communication, research, planning and organisation.</p>	
<b>Assessment</b>	
<p>This course is based on 360 Guided Learning hours and is equivalent to one A Level. The course is made up of 4 mandatory units plus other optional units to be set by the subject teachers.</p> <p>Mandatory units:</p> <ol style="list-style-type: none"> <li>1. Building positive relationships in health and social care (internally assessed assignment)</li> <li>2.
