

Alsager School

8th September 2023

Dear All,

Recommended text books and study guides for Key Stage 4 Students

The following pages itemise the titles recommended by Subject Teachers to support day-to-day learning and preparation for exams. The ISBN has been provided to enable you to match with second-hand books from siblings, friends and on-line. A limited number of copies of all the titles are available to loan from the school's Learning Resource Centre. Items marked as **ESSENTIAL** support your child's learning as notes can be written directly alongside throughout the course of lessons being taught.

ESSENTIAL Items 6/6a (only available from school for **Year 11** students) are a series of examination papers used in class then taken home as a bundle ahead of Study Leave and therefore will not be collected with all other items after half-term. These items plus other texts allow for your son / daughter to make annotations on their own copy during lessons - this has proven highly successful for previous students.

Note for families currently entitled to Free School Meals:

Year 10 One suitable item for English, Maths and Science will be provided by school at no cost to you.

Year 11 Suitable items will be provided by school at no cost to you following discussion with the Progress Team.

Year 10 & 11 low income families not currently entitled to Free School Meals should contact their College Manager to ask if any support is available towards the cost of purchasing recommended study guides.

Should you wish to purchase new books via the school at the discounted prices stated, kindly place your order via ParentPay no later than:

- **Monday 9th October 2023 for collection after October half-term.**

Each item is available to purchase via www.parentpay.com tailored to Year Groups – simply email finance@alsagerschool.org stating your son / daughter's name should you require an activation code. There is a link on www.parentpay.com to reset a forgotten password for accounts activated with your email address as the user name. **We are not accepting cash or cheque payments.**

Kindly be advised that the school does not hold a stock of the listed titles and will obtain items to fulfil pre-orders. As such, no exchanges or refunds are offered so please take care to meet the deadline and not to duplicate or select any item you may have already purchased in previous academic years. The ISBN information is provided to assist your independent purchase in the event of missing the school order deadline.

Yours faithfully

Finance Team
