An Achieving School - A Caring Community

How to support your child in Year 8 - History

General

When supporting your child with their home learning, please refer to the notes that they will have made in lesson in their red notebooks. All of the content of the lessons will be in those books. They will have all assessments stuck into their books so you can see how they are working in History. Looking at their strengths and next steps can help you to know how they can improve their work. The pupils will also have an end of unit Whole Class Feedback sheet in their books. This has a feedforward activity on which should be completed. This feedback sheet also has some key spellings on which you can use to test your child.

Suggested Websites

Throughout the year, your child will be studying a range of topics and themes. In order to help to expand their learning, please find a list of websites that your child may enjoy and find useful:

BBC bitesize has additional information on different subject areas from our curriculum. If you wish to support your child further, then please refer to this website:
