Thank you for showing an interest in the above vacancy.

I hope that the attached details will help to introduce you to Computer Science and IT at Alsager School. However, I would strongly urge you to get more of a 'feel' for the life of Alsager School by visiting our website www.alsagerschool.org. We hope this information will encourage you to apply.

In order to ensure the future successful development of our school, we are keen to appoint only staff of the highest ability or with the greatest promise. Working at Alsager School is demanding but the rewards are commensurate in a school with strong leadership, dedicated staff, supportive parents and pleasant, friendly and highly motivated pupils. The School is proud of its supportive ethos and the person appointed can expect much help, guidance and support from colleagues.

If you wish to make an application, please complete all sections of the application form. In addition, we would ask you to submit a supporting letter. It will help our shortlisting, and therefore your application, if your letter follows the format described below:

- I. **Relevant Experience:** outline how your experience to date has prepared you to meet the requirements of the person specification and how your strengths will maintain our 'Outstanding' status. ECTs should expand upon their teaching practice.
- II. **Teaching Style:** your philosophy and approach to teaching.
- III. **Curriculum specialisms:** your areas of specialism and your approach to teaching them.
- IV. **Personal Qualities:** the personal qualities you would bring and the contribution you would make to Alsager School.

Your completed application should be received in school no later than **12 noon on Monday 7th March 2022**, ideally via email to jobs@alsagerschool.org. Interviews will be held **Friday, 18th March 2022**. If you have not heard back from us within two weeks, I am afraid in this instance your application has not been successful. Unfortunately, costs preclude us from informing applicants personally.
