Alsager School
An Achieving School - A Caring Community

Number of Parent Governor Vacancies – 1

Do you want to make a real difference by helping our 'outstanding' school to improve further?

If the answer is a resounding yes, this letter may well be of interest to you, and we would like you to read on!

So, how can you help?

School Governors are essential to work alongside the Headteacher and the Leadership Group in developing the school and monitoring impact for the benefit of the students and its community.

The Governing body of Alsager School has **one parent governor vacancy**. Nominations are therefore invited to fill this vacancy. Should we receive **more than one nomination** an election will be held. In this instance, the election will be conducted electronically. This notice of election and nomination paper (below) details the election timetable. **Deadline to register your interest in standing for election is 3:15pm on Friday, 23rd September 2022.**

Prior to submitting your nomination, interested parties are encouraged to attend a meeting with Mrs O'Neill, Head of School and a member of the current Governing body which will outline the commitment and expectations of being a governor at Alsager School. Meetings have been arranged for **Thursday, 15th September at 8:45am and Tuesday, 20th September at 15:30pm**. Please contact Mrs J Lamprell, PA to Head of School on 01270 871100 or by email at j.lamprell@alsagerschool.org to book onto one of these sessions.

What does the role of a Governor involve?

Alsager School is an 'outstanding' high-achieving school. The school remains totally committed to enabling students of all abilities to identify and achieve their full potential with a caring, nurturing environment, and therefore to go on to achieve success and fulfilment. Governors have an important part to play in helping to maintain success and in raising school standards through their three key roles of setting strategic direction, ensuring accountability and monitoring and evaluating school performance.

The Governing body welcomes interest from suitably motivated and committed individuals who believe they could make a positive difference and add real value to the schools' current well-being and future development. Other than being at least 18 years of age, there are no particular qualifications or requirements, except that you must be a parent of, or have parental responsibility for, a current student, at the time of the election at Alsager School. *Please see Appendix A which outlines those who are exempt from standing.*

Most importantly, we are looking for individuals with commitment, vision and energy, who can add real value to the school and all its stakeholders. It needs people of talent who can commit the time, in order to fulfill the role to the required standard. A full induction, regular-ongoing training and peer mentoring will be provided throughout the first year.

As a member of the governing body, you will be expected to attend all full Governing board meetings (3-4 a year) over each academic year, all of which are held on Wednesday evenings and start at 6:00pm and typically finish at 7:30pm. Part of the role will also involve you joining one of the boards sub

committees (Finance, Pupil Progress or Curriculum & Personnel) and also attend each of these sub-committee meetings, which would be approximately 4 a year. So, all in all, a total of 8 meetings a year.

From time to time, Governors may also be required to take part in interview panels for recruitment or disciplinary purposes. You will also be encouraged to regularly visit the school and will be invited to attend social events and some top-quality musical performances performed by the students. Governors are also asked to help present awards at the annual awards and celebration evening.

Subject to their work and other commitments, Governors are expected to participate in initiatives that link the skills and interests with specific departments or subjects through our curriculum link Governor programme. This may involve termly or more frequent meetings in school.
