

Alsager School

Alsager School

Our Vision:

'to create an inclusive environment where all are empowered to thrive, hold themselves accountable and achieve. Our ethos of kindness is lived and not just talked.'

Welcome to Alsager School

We are delighted that you are considering entrusting your son or daughter to Alsager School for the next five and possibly seven years.

Our mission statement is: 'An Achieving School - A Caring Community'. This underpins our approach to education and young people. At Alsager we believe that happy children work to their full potential and we make it a priority to create the right conditions to ensure that all our pupils are able to flourish. For every child, school should be a safe, enjoyable, respectful and stimulating place to learn and make progress.

'Pupils, and students in the sixth form, are happy and safe at this school.'
(Ofsted 2023)

Alsager has a proven track record of very high achievement, high quality teaching, motivated well behaved young people and superb care, guidance and support. All the above were rightly highlighted and praised by Ofsted in 2023 when Alsager was judged to be Good. In terms of exam success we are consistently one of the highest performing schools both locally and nationally.

Our aim is to work in partnership with all parents and carers and we will always be pleased to discuss your son or daughter's education with you.

Alsager is a superb school. I hope you agree and I look forward to meeting you.

Andrea O'Neill
Headteacher

Welcome to The Cornovii Trust

I am extremely proud to be the Chief Executive Officer of The Cornovii Trust, our multi academy trust of local schools. 'Cornovii' is the ancient name given to the people of Cheshire, Shropshire and Staffordshire. That is the area our schools serve, we are a local trust proving real support, opportunities, experience and leadership for the communities and young people in these three counties. All our schools follow our model for success, high aspirations for all, high standards for all and continuous improvement for all.

Alsager School is a fantastic example of this; with talented, dedicated staff, all of whom have a passion for excellence, and our polite, motivated and engaged pupils, who are an absolute pleasure to work with.

Alsager School really is a beacon of excellence and we look forward to working with you to get the best for your child.

Richard Middlebrook
Chief Executive Officer
The Cornovii Trust

Our Values

Alsager is a school where everyone feels they are being treated fairly, where teachers and pupils respect each other and we all work together productively and positively.

The transition from primary to secondary school can be difficult. Our links with partner primaries and many other local schools are very strong indeed; as a result transition from Year 6 to 7 is smooth.

'[Students] forge strong relationships with staff and with other pupils.'
(Ofsted 2023)

'Pupils and students rise to the high expectations that staff have for their behaviour.'
(Ofsted 2023)

"As a new Year 7 my experience has been brilliant. Alsager School makes me feel safe and supports me as much as possible. The school has so many clubs at lunch and break and I made new friends really quickly. It's a great atmosphere"
(Year 7 pupil)

Our Standards – Student Outcomes

We are a very high achieving school both locally and nationally. We are consistently one of the highest performing schools in Cheshire East and in the top 25% of schools nationally.

For example, the percentage of pupils gaining a Grade 4 or better in English and Maths, or Grade 5 or better in English and Maths in recent years are both above the figures for Cheshire East and exceed national figures.

In addition, our Progress 8 scores over time are very impressive, consistently putting us in the top 25% of schools nationally. We are extremely proud of our exam results at GCSE and A Level every year (see our website for further details).

Any child that really works with us will achieve their best possible results at Alsager School. We encourage, support, advise and help every pupil to achieve the 'best' they possibly can.

'Adults help pupils to remember more of their learning as they move through school. Overall, pupils and students achieve well.'
(Ofsted 2023)

Our Standards – Learning Environment

The excellent behaviour around school is a result of providing stimulating lessons to engage all pupils, along with our positive ethos of praise and a culture of mutual respect.

Our Behaviour for Learning system is a huge success, pupils are graded on their behaviour towards learning in every lesson. There are great rewards for those who display the right attitude for learning and sanctions for those whose behaviour or attitude does not meet our high standards.

'Pupils typically engage well in lessons. They attend school regularly and are punctual to lessons.'

'Pupils move purposely and safely through the school to arrive at their lessons on time.'

'Lessons are rarely disrupted by poor behaviour.'
(Ofsted 2023)

Our Curriculum

We have an exciting and ambitious curriculum for all. Our academic curriculum opens doors for our students, who go on to a range of exciting destinations when they leave us, including prestigious and sought-after places on apprenticeships and university programmes. Our curriculum provides students with the knowledge and skills to be successful in whatever they choose to do next.

Here at Alsager School, what happens outside the classroom is just as important in the development of our young people and our enrichment programme is rich and varied. We enjoy success in sport, music, dance and drama activities. There are many opportunities to take part in a wide variety of trips and visits to suit all interests and pockets. The range of activities open to our pupils is endless and we hope your son or daughter will take full advantage of them.

'Leaders have developed a curriculum that is broad and ambitious for all pupils, including for students in the Sixth Form. They have ensured that the curriculum is relevant and engaging.'
(Ofsted 2023)

Feedback from our parents

“Alsager School have proud and conscientious staff and they are happy to help wherever possible.”

“Brilliant school, I have seen my child blossom here.”

“Firmly believe my children wouldn't get a better education anywhere else.”

“My child has grown in confidence since attending Alsager School and we are very pleased with their progress.”

“Cannot rate the staff highly enough - excellent support provided and great communication.”
