Our school uniform plays a valuable role in contributing to the ethos of our school, and promotes a strong, cohesive school identity, supporting the high standards we aspire to. It gives our pupils a sense of identity.

Pupils in Years 7 – 11 are required to wear full school uniform at all times. We ask that parents support us in the implementation of this policy.

We want our pupils to be smartly and sensibly dressed, and despite fashion trends we aim to have a uniform which is practical, comfortable and fit for purpose, but also reflects the ethos and values of the school. We are proud of our pupils and our school and want our pupils to take pride in their uniform and appearance, and the sense of identity it gives the school community. It is widely accepted that a uniform improves a child's attitude to work and allows them to focus on learning, rather than their appearance. It also reduces socio-economic differences and instances of bullying based on appearance. We are grateful to our parents who fully support us in ensuring their child meets this policy.

### **Reducing the cost of school uniform:**

In line with government guidance and in order to keep costs to a minimum for parents, only 3 items of badged uniform plus a tie are compulsory.

These are:

1. Badged school blazer
2. One PE top
3. One PE bottoms

We have made every effort to ensure that all badged items represent excellent quality and value for money. Non-badged items are available from a wide range of suppliers, including supermarkets. Our uniform is available from a variety of stockists and can also be purchased second hand. A list of suppliers can be found at the end of this document.

Please ensure that all items are clearly labelled and appropriately named, so that any mislaid items may be returned.

### **School Uniform**

How we present ourselves reflects how ready we are to learn and belong to the school community. At Alsager School we don't chase fashion. Our high expectations of ourselves and others are reflected in our personal appearance.

#### **Non-compliance with the school uniform policy**

Where an issue with uniform can be rectified at the time (e.g. make up or jewellery removed) pupils will be expected to do so. Failure to follow a reasonable request will be dealt with under the Behaviour Policy.

Where an issue cannot be rectified on the day. Pupils will be placed on an alternate timetable until this is rectified.

Our parents go to great lengths to ensure that their child is in correct uniform; they may have had difficult conversations at home in supporting the school with this policy and would rightly question why they have done so if others are not fully compliant.

If you are uncertain about an item of uniform or are considering a change of hairstyle but are not sure it will meet the uniform requirements, please speak to your child's Head of College before making the purchase or change.
